2. Specific objectives

The specific objectives of WP2 were to:

- align the structure and content of the curricula with the **labour market needs** based on the outcomes of WP1
- formulate corresponding **learning outcomes** on course level (based on learning outcomes on programme level of WP1)
- update the **master curricula** in Finance in line with the latest international developments in the subject area Finance
- update **teaching methodologies** and pedagogical approaches for each course to enhance student-centred learning

4. Several crucial steps achieved

- ✓ **Institutional support of the involved HEIs to undertake reforms**
- ✓ **Approval of the reformed curricula by relevant institutional structures**
- ✓ WP2 did lay the basis for **all further steps** in the project through **updated and approved curricula**
- ✓ **Country visits:** country working groups did work on reformed curricula in Armenia and Moldova
